A Christmas Carol

A Christmas Carol has 14 participating children, ages 7-13: two teams of seven children who will split performances. This is the tenth year of this production. While all roles are open, preference will be given to those children who fit the existing costumes.

The commitment dates for children are **November 5, 2019 until January 1, 2020**. If you are unable to commit to these dates, we will be unable to cast your child and ask that you do not continue with the audition.

The *tentative* schedule (subject to change) is as follows:

Rehearsal in the rehearsal hall (near Eastern Market)

November 5 – November 15: Rehearsal after school (4pm) to 8pm and all day (10am-6pm) on Saturdays and Sundays. Mondays are the normal days off prior to technical rehearsals, but this is subject to change.

Technical rehearsal in the theatre

November 16 – November 20: rehearsals during this period are normally from noon until 10 pm every day, with the exception of two days (TBD) when the tech schedule will be noon until 11:30 pm. We will do our best to keep the children's calls during the week to after school hours, but there may be days when we will call the children earlier. On weekends, children will be called for the entire rehearsal period.

Preview performances

Previews are November 21 through November 27. Curtain times vary (Noon, 2:00 and/or 7:30 depending on the day) followed by a 1 hour note session. There may be some afternoon rehearsal calls during the preview period, but we will try to keep these outside of school hours. There will be no rehearsal or performance on Thanksgiving.

Performances

November 29- January 1

If your child is cast they will be assigned to a team that will have a specific calendar of performances. Generally each team is assigned 4-5 shows per week, with at least one matinee that is during school hours (sometimes as early as noon). The weekly day off varies a bit in December. We do not perform on Christmas Eve or Christmas Day. We will attempt to schedule each team for no more than one performance on any given day and will try to alternate performance times so that no team misses more school than the

other, *however* this is not always possible, and there may be days when a team will be asked to perform twice in one day.

Please note: *Although children are not called when the other team is performing, each team serves as understudies for the other team. If, for example, a member of the Red Team is unable to perform at a performance scheduled for the Red Team, the corresponding member of the Green Team will be expected to perform. While we will give as much notice as possible, we can only give as much notice as the ill cast member gives us. For this reason, it is important NOT to schedule family events that can't be easily changed during the performance period.*

PLEASE NOTE that parents are responsible for their children on lunch/dinner breaks during rehearsals, tech rehearsals and between shows when their child performs a two-show day.

Please take a moment to fill out a conflict sheet for your child. This sheet must be filled out completely in order for us to be able to cast your child. If your child does not have conflicts, please note that on the sheet. Conflicts that are not on the sheets will not be accommodated once we are in rehearsal/performance. Creating the performance schedule for both teams is complicated and we need an accurate picture of each child's schedule in order to do this.

Decisions for callback auditions will be made by the end of the 2nd day of open calls and if we wish to see your child again, we will call you. **Callbacks for *A Christmas Carol* will be held Sunday, August 25, beginning at 9 am.** *If you do not receive a call from us, we were unable to use your child this year.* While we are unable to cast everyone, we appreciate your coming in for auditions and your interest in Ford's Theatre.
