Ford's Theatre Society

Since reopening in 1968, more than a hundred years after President Abraham Lincoln's assassination, Ford's Theatre has celebrated Lincoln's legacy and explored the American experience through theatre and education. Under the leadership of Director Paul R. Tetreault, Ford's Theatre has been recognized for the superior quality of its artistic programming. With works from the Tony-nominated *Come From Away* and the nationally acclaimed *Big River* to the world premieres of *Meet John Doe*, *The Heavens Are Hung In Black*, *Liberty Smith*, *Necessary Sacrifices*, *The Widow Lincoln* and *The Guard*, Ford's Theatre is making its mark on the American theatre landscape. For its accomplishments, the organization was honored in 2008 with the National Medal of Arts. For more information, visit www.fords.org.
